TOP 4 AFRICAN SAFARIS DESTINATIONS

COMPANY OVERVIEW

Based in Arusha, the tourism hub of Tanzania, Face of Africa Adventures is a registered Tanzanian-owned company. Since 2010, we have been expertly arranging customized, private tours in Tanzania, Kenya, Uganda, and Rwanda.

Established by Hamadi Ningaa, a seasoned expert with a prosperous background in East Africa's tourism and wildlife domains, Face of Africa Adventures has a mission to showcase Africa's magnificence and offer remarkable escapades to all patrons. Our clientele has expanded extensively over time, encompassing residents, travelers, and multinational enterprises. As a consequence, the likelihood of desiring a repeat journey is high, given that a vacation with Face of Africa Adventures is bound to be an unparalleled expedition. Allow us to curate the ultimate personalized African encounter for you!

ABOUT US

Why choose us

Planning a trip to Tanzania or another East African destination? Get ready for an exceptional experience. Face of Africa Adventures is prepared to help you create an unparalleled safari adventure. Our personalized tours set us apart from the usual options. Unlike most tour companies, we don't restrict you to fixed schedules and plans. Instead, we carefully design each vacation to match your unique preferences.

Mission & Vission

Founded by Hamadi Ningaa, an adept guide with a prosperous background in East Africa's tourism and wildlife domains, Face of Africa Adventures is driven by a mission to reveal Africa's splendor and offer indelible adventures to every patron.

"It symbolizes safeguarding and nurturing varied cultures and their ecosystems, all while maximizing business and economic viability." - Hamadi Ningaa

Face of Africa Adventures aims to bolster and convey a favorable impact on Tanzanian tourism, both domestically and internationally. Our conviction is that the finest experiences are still ahead.
